Independent Auditor's Modified Review Report to the Members of Dewan Automotive Engineering Limited

Review Report to the Members on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors ('the Board') of **Dewan Automotive Engineering Limited** (the Company) for the year ended 30 June 2021 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Following instances of non-compliance with the requirements of the Code were observed which are not stated in the Statement of Compliance:

The independent directors shall not be less than two or one third of total members of the board, whichever is higher, whereas board includes one independent director, who in our view does not meet the criteria of independence on account of his cross directorship in associated companies; accordingly, due to the foregoing reasons, requirements of chairman of audit and HR Remuneration Committee to be an independent director has also not been complied with.

Continuation Sheet

Based on our review, except for the above instances of non-compliance, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended 30 June 2021.

Further, we highlight that the Company has no female director on its Board and one of the director of the Company is serving as director in more than seven listed companies as disclosed in the paragraphs 1 and 3 of the Statement of Compliance.

Furthermore, we highlight that only four of the directors are qualified under the directors training program as disclosed in note 9 of the Statement of Compliance.

INDEPENDENT AUDITOR'S REPORT

To the members of Dewan Automotive Engineering Limited

Report on the Audit of the Financial Statements

Adverse Opinion

We have audited the annexed financial statements of Dewan Automotive Engineering Limited ('the Company'), which comprise the statement of financial position as at 30 June 2021, and the statement of profit or loss and Statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion, because of the significance of the matters discussed in the basis for adverse opinion section of our report, the statement of financial position, statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes forming part thereof do not conform with the accounting and reporting standards as applicable in Pakistan and do not give the information required by the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively do not give a true and fair view of the state of the Company's affairs as at 30 June 2021 and of the loss and other comprehensive loss, the changes in equity and its cash flows for the year then ended.

Basis for Adverse Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants as adopted by the Institute of Chartered Accountants of Pakistan ('the Code') and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

- a) The financial statements of the Company for the year ended 30 June 2021 reflect loss after taxation of Rs.44.508 million and as of that date it has accumulated losses of Rs.1,781.637 million which resulted in net capital deficiency of Rs.1,320.807 million and its current liabilities exceeded its current assets by Rs.1,346.833 million and total assets by Rs.1,108.978 million. The operations of the Company are closed. The Company is placed on defaulters' counter of Pakistan Stock Exchange Limited and trading of its shares was suspended. Furthermore, the Company is in litigation with its lender. These conditions lead us to believe that the going concern assumption used in preparation of these financial statements is inappropriate; consequently, the assets and liabilities should have been stated at their realizable and settlement amounts respectively.

Continuation Sheet

- b) The Company has not made provision of markup for the year amounting to Rs.1.274 million (Up to 30 June 2021: Rs.18.974 million) (refer note 27.1) on account of restructuring proposal offered to a lender as described in note 2 and 27.1 to the financial statements. Had the provision of markup been made in the financial statements, the loss before taxation would have been higher by Rs.1.274 million and markup payable would have been higher and shareholders' equity would have been lower by Rs.18.974 million.

Key Audit Matter(s)

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report other than the matters described in the basis for adverse opinion section.

Information Other than the Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. As described in the basis for adverse opinion section of our report, we have concluded that the other information is materially misstated for the same reason.

Responsibilities of Management and Board of Directors for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the accounting and reporting standards as applicable in Pakistan and the requirements of Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Continuation Sheet

We also provide the board of directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the board of directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) Proper books of account have been kept by the Company as required by the Companies Act, 2017 (XIX of 2017);
- b) Because of the matters described in Basis for Adverse Opinion section, the statement of financial position, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows together with the notes thereon have not been drawn up in conformity with the Companies Act, 2017 (XIX of 2017) however, the same are in agreement with the books of account and returns;
- c) Investments made, expenditure incurred and guarantees extended during the year were for the purpose of the Company's business; and
- d) No Zakat was deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Fasih uz Zaman.

Notes To The Financial Statements

For The Year Ended June 30, 2021

1 STATUS AND NATURE OF BUSINESS

Dewan Automotive Engineering Limited is a public Limited Company quoted on Pakistan Stock Exchange Limited (trading in defaulter counter). The Company's business is the assembly-cum progressive manufacture and sale of tractors, light commercial vehicles and motorcycles and trading / manufacturing of parts and implements related thereto. The Company was incorporated on May 6, 1982 and commenced commercial operations in August, 1983. The Company was taken over by Yousuf Dewan Company in April 2004.

During the year 2017, the Company received notices from Pakistan Stock Exchange Limited (PSX) in respect of non-compliance of clause 5.11.1. (c) and 5.11.1.(e) of the PSX Regulations therefore it was placed on defaulter's counter of PSX and trading of its shares was suspended. The Company has rectified the default and has requested for removal of Company from defaulter's counter. Hence no action by the Exchange under clause 5.11.1. (c) and 5.11.1.(e) is warranted under the said circumstances.

The geographical location and address of Company's business units including plant is as under:

- Company's registered office is located at Dewan Centre, 3-A Lalazar, Beach Hotel Road, Karachi.
- Company's production plant is situated at Sajawal and Shershah Karachi, Sindh, Pakistan.

2 GOING CONCERN ASSUMPTION

The Company incurred a net loss of Rs.44.508 million (2020: Rs.59.386 million) during the year ended 30 June 2021 and, as of that date it has accumulated losses of Rs.1,781.637 million (2020: Rs.1,742.313 million) which have resulted in net capital deficiency of Rs.1,320.807 million (2020: Rs.1,276.299 million) and its current liabilities exceeded its current assets by Rs.1,346.833 million (2020: Rs.1,325.729 million) and total assets by Rs.1,108.978 million (2020: Rs.1,081.515 million). The Company has been unable to ensure scheduled repayments of borrowings and to the creditors due to the liquidity problems. Following course, certain lenders has gone into litigation for repayment of liabilities through attachment and sale of the Company's hypothecated / mortgaged properties. These conditions indicate the existence of material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern. therefore the Company may not be able to realize its assets and discharge its liabilities in normal course of business.

The Company has restructured its entire debts except one and also been paid as per term of restructuring agreements. The management is also confident that the outcome of the pending litigation will be positive as the Company is negotiating re-profiling of the debt with the lender. Therefore, the management is confident that the proposal will be accepted by the lender and pending litigations will be withdrawn. Accordingly, these financial statements have been prepared on a going concern basis.

Notes To The Financial Statements

For The Year Ended June 30, 2021

3 BASIS OF PREPARATION

3.1 Statement of compliance

These financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan with the exception of departure of IFRS as mentioned in note 27.1 to the financial statements, for which the management concludes that provisioning of mark-up would conflict with the objectives of the financial statements. The accounting and reporting standards applicable in Pakistan comprise of:

- International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017; and
- Provisions of and directives issued under the Companies Act, 2017.

Where provisions of and directives issued under the Companies Act, 2017 differ from the IFRS, the provisions of and directives issued under the Companies Act, 2017 have been followed.

3.2 Basis of measurement

These financial statements have been prepared under the historical cost convention except the obligation in respect of gratuity fund which is measured at present value and items of property, plant and equipment which are carried at revalued amounts.

3.3 Changes in accounting standards, interpretations and pronouncements

3.3.1 Standards, interpretations and amendments to approved accounting standards which became effective during the year

The following amendments to accounting standards are effective for the year ended 30 June 2021. These amendments are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures.

	Effective Date (Period beginning on or after)
Amendment to IFRS 16 'Leases' - Covid-19 related rent concessions	June 01, 2020
Amendments to the conceptual framework for financial reporting, including amendments to references to the conceptual framework in IFRS	January 01, 2020
Amendments to IFRS 3 'Business Combinations' - Definition of a business	January 01, 2020

Notes To The Financial Statements

For The Year Ended June 30, 2021

Effective Date (Period beginning on or after)

Amendments to IAS 1 'Presentation of Financial Statements' and IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' - Definition of material	January 01, 2020
Amendments to IFRS 9 'Financial Instruments', IAS 39 'Financial Instruments: Recognition and Measurement' and IFRS 7 'Financial Instruments: Disclosures' - Interest rate benchmark reform	January 01, 2020

Certain annual improvements have also been made to a number of IFRSs.

3.3.2 Standards, interpretation and amendments to approved accounting standards that are not yet effective

The following amendments to accounting standards are only effective for accounting periods, beginning on or after the date mentioned against each of them. These amendments are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures.

Amendments to IAS 16 'Property, Plant and Equipment' - Proceeds before intended use	01 January 2022
Amendments to IAS 37 'Provisions, Contingent Liabilities and Contingent Assets' - Onerous Contracts — cost of fulfilling a contract	01 January 2022
Amendments to IAS 1 'Presentation of Financial Statements' - Classification of liabilities as current or non-current	01 January 2023
Amendments to IAS 1 'Presentation of Financial Statements' - Disclosure of accounting policies	01 January 2023
Amendments to IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' - Definition of accounting estimates	01 January 2023
Amendments to 'IAS 12 Income Taxes' - deferred tax related to assets and liabilities arising from a single transaction.	01 June 2023

Certain annual improvements have also been made to a number of IFRSs.

Other than the aforesaid standards, interpretations and amendments, the International Accounting Standards Board (IASB) has also issued the following standards which have not been adopted locally by the Securities and Exchange Commission of Pakistan:

Notes To The Financial Statements

For The Year Ended June 30, 2021

- IFRS 1 – First Time Adoption of International Financial Reporting Standards
- IFRS 17 – Insurance Contracts

3.4 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Company operates. The financial statements are presented in Pak Rupees, which is the Company's functional and presentation currency.

3.5 Use of estimates and judgements

The preparation of the financial statements in conformity with approved accounting standards as applicable in Pakistan, requires management to make judgments, estimates and assumptions that affect the application of policies and the reported amounts of assets and liabilities and income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant affect on the amounts recognised in the financial statements are as follows:

3.5.1 Operating fixed assets, revaluation and depreciation

The Company reviews appropriateness of the rate of depreciation, useful lives and residual values used in the calculation of depreciation. The estimates of revalued amounts of revalued assets are based on valuations carried out by a professional valuer. Further, where applicable, an estimate of the recoverable amount of assets is made for possible impairment on an annual basis. In making these estimates, the Company uses the technical resources available with the Company. Any change in the estimates in the future might affect the carrying amount of respective item of property, plant and equipment, with corresponding effects on the depreciation charge and impairment.

3.5.2 Income tax

In making the estimates for income tax currently payable by the Company, the management considers the current income tax laws and the decisions of appellate authorities on certain issues in the past.

3.5.3 Stock in trade

The Company reviews the net realizable value (NRV) of stock in trade to assess any diminution in the respective carrying values. Any change in the estimates in future years might affect the carrying amounts of stock in trade and corresponding effect in profit and loss account of those future years. Net realisable value is determined with respect to estimated selling price less estimated expenditures to make the sales.

Notes To The Financial Statements

For The Year Ended June 30, 2021

3.5.4 Staff retirement benefits

Certain actuarial assumptions have been used as disclosed in these financial statements (note 15) for the actuarial valuation of unfunded gratuity scheme. Changes in these assumptions in future years may effect the liability under this scheme in those years.

4 SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies are consistently applied in the preparation of these financial statements are the same as those applied in earlier period presented.

4.1 Property, plant and equipment

Owned

Item of property, plant and equipment is recognized as asset when it is probable that future economic benefits associated with the asset will flow to the company and its cost to the company can be measured reliably.

An item of property, plant and equipment, which qualifies for recognition as an asset, is initially measured at its cost. Cost includes expenditure that is directly attributable to the acquisition of the item. Subsequent to initial recognition items of property, plant and equipment are carried at a revalued amount, being its fair value at the date of the revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses. Revaluations are made with sufficient regularity such that the carrying amount does not differ materially from that which would be determined using the fair value at the balance sheet date.

Any revaluation increase arising on the revaluation of assets is recognised in other comprehensive income and presented as a separate component of equity as "Revaluation surplus on property, plant and equipment", except to the extent that it reverses a revaluation decrease for the same asset previously recognised in profit or loss, in which case the increase is credited to profit or loss to the extent of the decrease previously charged. Any decrease in carrying amount arising on the revaluation of assets is charged to profit or loss to the extent that it exceeds the balance, if any, held in the revaluation surplus on property, plant and equipment relating to a previous revaluation of that asset. The revaluation reserve is not available for distribution to the Company's shareholders. The surplus on revalued assets to the extent of incremental depreciation charged (net of deferred tax) is transferred to unappropriated profit.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial year in which they are incurred.

Notes To The Financial Statements

For The Year Ended June 30, 2021

Property, plant and equipment are stated at cost / revalued amounts less accumulated depreciation except for the leasehold land which is stated at revalued amount. Depreciation is charged to income applying the reducing balance method over estimated useful life of the assets. Depreciation on additions is charged from the month the asset is put into use while on disposals upto the month the asset was in use. Depreciation is being charged at the rates given in note 5.1. Incremental depreciation on account of revaluation charged for the year on revalued assets is transferred from surplus on revaluation of property, plant and equipment to accumulated loss.

The assets residual values and useful lives are reviewed and adjusted, if appropriate, at each balance sheet date.

Maintenance and normal repairs are charged to income as and when incurred. Major renewal and improvements are capitalized. Gain or loss, if any, on disposal of property, plant and equipment is included in income currently.

Leased

The company accounts for assets acquired under finance lease by recording the assets and related liability. Assets are recorded at lower of present value of minimum lease payments under the lease agreements and fair value of the assets. The aggregate amounts of obligation relating to these assets are accounted for at net present value of liabilities. Assets acquired under the finance leases are depreciated over the useful life of the respective asset in the manner and at the rates applicable to the company's owned assets. Financial charges are allocated to accounting periods in a manner so as to provide a constant periodic rate of change on outstanding liabilities.

4.2 Intangible

An intangible asset is recognized if it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and that the cost of such asset can also be measured reliably.

Software under development are carried at cost. Direct cost include the purchase cost and directly attributable cost of preparing the asset for its intended use.

Intangible asset is amortized from the date such asset is put into use on straight line basis over its useful life.

4.3 Impairment of property, plant and equipment

The company assesses at each balance sheet date whether there is any indication that a tangible fixed asset may be impaired. If such indication exists, the carrying amounts of such assets are reviewed to assess whether they are recorded in excess of their recoverable amount. Where carrying value exceeds recoverable amount, assets are written down to the recoverable amount.

Notes To The Financial Statements

For The Year Ended June 30, 2021

4.4 Deferred costs

These are amortized on a straight line basis over a period of ten years, starting from the year in which company has commenced the commercial operations.

4.5 Stores, spares and stock in trade

These are valued at lower of cost and net realizable value. The cost is determined as follows:

Stores and spares	Average cost
Stock in trade:	
Raw material	Average cost
Goods in transit	Cost comprising invoice values plus other charges incurred thereon.
Work in process	Prime cost plus appropriate portion of manufacturing overheads.
Finished goods	Average cost

Net realizable value signifies the estimated selling price in ordinary course of business less cost necessary to be incurred to make the sale.

4.6 Trade and other receivables

Trade debts originated by the company are recognized and carried at original invoice amount less an allowance for any uncollectible amounts, if any. An estimate for doubtful debts is made when collection of amount is no longer probable. Bad debts are written off when they are no longer recoverable.

Other receivables are recognized and carried at cost.

4.7 Investments

Investments classified as available for sale are initially measured at cost, being the fair value of consideration given. At subsequent reporting dates, these investments are re-measured at fair values (quoted market price), unless fair value cannot be reliably measured, in such case the investments are measured at cost. Gains and losses on re-measurement to fair value are recognized directly in equity through the statement of changes in equity.

4.8 Cash and cash equivalents

Cash in hand and at banks are carried at cost. For the purpose of the cash flow statement, cash and cash equivalents consist of cash in hand and at banks.

Notes To The Financial Statements

For The Year Ended June 30, 2021

4.9 Financial Instruments

4.9.1 Initial measurement of financial asset

The Company classifies its financial assets into following three categories:

- Fair value through other comprehensive income (FVOCI);
- Fair value through profit or loss (FVTPL); and
- Measured at amortised cost.

A financial asset is initially measured at fair value plus, for an item not at FVTPL, transaction costs that are directly attributable to its acquisition.

Subsequent measurement

Debt Investments at FVOCI	These assets are subsequently measured at fair value. Interest / mark-up income calculated using the effective interest method, foreign exchange gains and losses and impairment are recognised in the statement of profit or loss account. Other net gains and losses are recognised in other comprehensive income. On de-recognition, gains and losses accumulated in other comprehensive income are reclassified to the statement of profit or loss account.
Equity Investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in the statement of profit or loss account unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in other comprehensive income and are never reclassified to the statement of profit or loss account.
Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest / mark-up or dividend income, are recognised in the statement of profit or loss account.
Financial assets measured at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest / mark-up income, foreign exchange gains and losses and impairment are recognised in the statement of profit or loss account.

Notes To The Financial Statements

For The Year Ended June 30, 2021

4.9.2 Non-derivative financial assets

All non-derivative financial assets are initially recognised on trade date i.e. date on which the Company becomes party to the respective contractual provisions. Non-derivative financial assets comprise loans and receivables that are financial assets with fixed or determinable payments that are not quoted in active markets and includes trade debts, advances, other receivables and cash and cash equivalent. The Company derecognises the financial assets when the contractual rights to the cash flows from the asset expires or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risk and rewards of ownership of the financial assets are transferred or it neither transfers nor retain substantially all of the risks and rewards of ownership and does not retain control over the transferred asset.

4.9.2.1 Trade debts, advances and other receivables

These are classified at amortised cost and are initially recognised when they are originated and measured at fair value of consideration receivable. These assets are written off when there is no reasonable expectation of recovery. Actual credit loss experience over past years is used to base the calculation of expected credit loss.

4.9.2.2 Cash and cash equivalents

For the purpose of presentation in statement of cash flow, cash and cash equivalents includes cash in hand, balances with banks and investments with maturities of less than three months or less from acquisition date that are subject to insignificant risk of changes in fair value and short term borrowings availed by the Company, which are repayable on demand and form an integral part of the Company's cash management.

4.9.3 Financial liabilities

Financial liabilities are initially recognised on trade date i.e. date on which the Company becomes party to the respective contractual provisions. Financial liabilities include mark-up bearing borrowings and trade and other payables. The Company derecognises the financial liabilities when contractual obligations are discharged or cancelled or expire. Financial liability other than at fair value through profit or loss are initially measured at fair value less any directly attributable transaction cost. Subsequent to initial recognition, these liabilities are measured at amortised cost using effective interest rate method.

4.9.3.1 Mark-up bearing borrowings and borrowing costs

Mark-up bearing borrowings are recognised initially at fair value, less attributable transaction costs. Subsequent to initial recognition, mark-up bearing borrowings are stated at amortised cost, while the difference between the cost (reduced for periodic payments) and redemption value is recognised in the statement of profit or loss account over the period of the borrowings using the effective interest method.

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of the cost of the relevant asset.

Notes To The Financial Statements

For The Year Ended June 30, 2021

4.9.3.2 Trade and other payables

Trade and other payables are recognised initially at fair value plus directly attributable costs, if any, and subsequently measured at amortised costs.

4.9.4 Derivative financial instruments - Other than hedging

Derivatives that do not qualify for hedge accounting are recognised in the statement of financial position at estimated fair value with corresponding effect to statement of profit or loss account. Derivative financial instruments are carried as assets when fair value is positive and liabilities when fair value is negative.

4.9.5 Derivative financial instruments - Cash flow hedges

When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in fair value of the derivative is recognised in other comprehensive income and accumulated in hedging reserve. Any ineffective portion of changes in fair value of derivative is recognised immediately in the statement of profit or loss account. The amount accumulated in equity is removed therefrom and included in the initial carrying amount of non-financial asset upon recognition of non-financial asset.

The fair value of forward exchange contracts is estimated using appropriate valuation techniques. These are carried as assets when the fair value is positive and liabilities when the fair value is negative.

4.9.6 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the financial statements only when the Company has currently legally enforceable right to set-off the recognised amounts and the Company intends either to settle on a net basis or to realise the assets and to settle the liabilities simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in normal course of business and in the event of default, insolvency or winding up of the Company or the counter parties.

4.10 Staff retirement benefits

The company operates a defined benefit plan comprising a funded gratuity scheme covering all permanent employees, under which benefits are paid on cessation of employment subject to a minimum qualifying period of service. An approved gratuity fund trust is established for the management of the gratuity obligation of the company. Annual contributions are made to the fund based on actuarial recommendations. The actuarial valuations are carried out using Projected Unit Credit Method. Remeasurement charge which comprises of actuarial gains and losses and the return on plan assets (excluding interest) are recognized immediately in other comprehensive income.

Notes To The Financial Statements

For The Year Ended June 30, 2021

4.11 Deferred income

Deferred income arising out of sale and lease back transactions is amortized over the period of lease term.

4.12 Trade and other payables

Liabilities for trade and other amounts payable are recognized and carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the company.

4.13 Taxation

Current

Provision for current taxation is based on current rates of tax after taking into account tax credits and rebates available, if any.

Deferred

Deferred tax is accounted for, using the balance sheet liability method in respect of all temporary differences arising from the differences between the carrying amount of assets and liability in the financial statements and the corresponding tax basis used in the computation of the taxable profit. Deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that future tax profits will be available against which the temporary differences can be utilized.

4.14 Provisions

A provision is recognized in the balance sheet when the company has a legal or constructive obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation.

4.15 Foreign currency translation

Transactions in foreign currencies are recorded using the rates of exchange ruling at the date of transaction.

Assets and liabilities in foreign currencies, if any, are translated into rupees at the exchange rates prevailing on the balance sheet date except where forward exchange contracts have been entered into in which case the rates contracted for are used.

4.16 Related party transactions

All transactions with related parties are based on the policy that all transactions between the company and the related parties are carried out at arm's length basis.

Notes To The Financial Statements

For The Year Ended June 30, 2021

4.17 Revenue recognition

Sales are recognized as revenue when goods are invoiced to customers.

4.18 Non current assets held for sale

Non current assets classified as held for sale are measured at the lower of their carrying amounts and fair value less cost to sell.

4.19 Warranties

Warranty expenses are recognized as and when claims are received.

4.20 Borrowings costs

Borrowing costs are recognized as an expense in the period in which these are incurred, except to the extent that these are directly attributable to the construction of qualifying assets in which case these are capitalized as part of the cost of that asset.

20.1 The above liability relating to Pak Kuwait Investment Company (Pvt) Limited is an overdue portion of syndicated loan facilities obtained from financial institutions for the purpose of setting up of Automotive Air Conditioner Plant. The loans carry mark-up @ 6 months KIBOR plus 3.77% (2020: @ 6 months KIBOR plus 3.77%). The loans were repayable in twenty equal quarterly installments of Rs.5.250 million each commencing from 30 August 2005. The loan is secured by first pari passu charge by way of equitable mortgage, hypothecation and floating charge on present as well as future assets of the Company. Pak Kuwait Investment Company (Pvt) Limited has gone into litigation as more fully explained in note 21.1 to the financial statements.

21 CONTINGENCIES AND COMMITMENTS

21.1 In respect of liability towards a financial institution disclosed in note 20 to the financial statements, the financial institution has filed suit in Honourable Banking Court of Sindh at Karachi for recovery of its liabilities through attachment and sale of Company's hypothecated / mortgaged properties.

The management has disputed the claim and is strongly contesting the case. The management has filed counter claims alleging that the bank claim is highly exaggerated as it has charged mark-up on mark-up and other levies higher than the rate of mark-up agreed and other charges in violation of State Bank of Pakistan rules and all other applicable laws of Pakistan.

During the year 2020, a decree has been passed by the Banking Court No. V at Karachi, in which the court ordered that the suit is decreed against the Company to the extent of principle amount of Rs.11.250 million with cost of suit and cost of funds. Consequently, the financial institution prefers an appeal against the judgment & decree date 21-02-2019, passed by the Learned Banking Court No. V at Karachi.

Since the Company is in dispute, therefore the estimated financial effect of litigation is not being disclosed, as it may have adverse affect on the Company's position in the suits. Since the case is pending before Honourable Banking Court of Sindh at Karachi therefore the ultimate outcome cannot be established at this stage.

34 FINANCIAL INSTRUMENTS AND RELATED DISCLOSURES

The Company is exposed to the following risks from its use of financial instruments:

- Credit risk
- Liquidity risk
- Market risk

The board of directors has the overall responsibility for the establishment and oversight of company's risk management framework. The Board is also responsible for developing and monitoring the Company's risk management policies.

34.1 Credit risk

Credit risk represents the accounting loss that would be recognized at the reporting date if counter parties failed completely to perform as contracted. The company's credit risk is primary attributable to its receivables and balances with banks.

The carrying amounts of financial assets represent the maximum credit exposure. The maximum exposure to credit risk at the reporting date is:

	2021	2020
	-----(Rs. in '000)-----	
Advances	-	5,077
Bank balances	517	412
	<u>517</u>	<u>5,489</u>

34.2 Liquidity risk

Liquidity risk reflects an enterprise's inability in raising funds to meet commitments. The Company follows an effective cash management and planning policy to ensure availability of funds and to take appropriate measures for new requirements. The following are the contractual maturities of the financial liabilities, including estimated mark-ups:

Notes To The Financial Statements

	<u>1,489,305</u>	<u>1,654,150</u>	<u>1,335,716</u>	-	-	<u>318,434</u>

All the financial liabilities of the company are non derivative financial liabilities. The contractual cash flows relating to the above financial liabilities have been determined on the basis of mark-up rates effect as at 30 June.

34.3 Market risk

Market risk is a risk that changes in market prices, such as foreign exchange rates, interest rates and equity prices will affect the Company's income or the value of financial instruments. The Company's financial instruments are in its functional currency therefore it is not exposed to currency risk, however the company's exposure to interest rate risk is as follows:

Interest rate risk

Interest rate risk is the risk that the value of financial instrument will fluctuate due to changes in market interest rates. The company's exposure to the risk of changes in interest rates relates primarily to the following:

	2021	2020
Variable rate instruments at carrying amounts:	----- (Rs. in '000) -----	
Financial liabilities		
Overdue portion of loans	11,250	11,250
Short term finance	154,879	154,879
	<u>166,129</u>	<u>166,129</u>

Notes To The Financial Statements

For The Year Ended June 30, 2021

Fair value sensitivity analysis for fixed rate instruments:

The company does not account for any fixed rate financial assets at fair value through profit or loss, therefore a change in interest rates at the reporting date would not affect profit or loss.

Cash flows sensitivity analysis for variable rate instruments:

A change of 100 basis points in interest rates at the reporting date would have increased / decreased loss/profit for the year by the amounts shown below:

	2021	2020
	----- (Rs. in '000) -----	
<i>Effect on loss / profit due to change of 100 BPs</i>		
Increase	<u>1,661</u>	<u>1,661</u>
Decrease	<u>(1,661)</u>	<u>(1,661)</u>

34.4 Fair value of financial instruments

Fair value is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The carrying values of all financial assets and liabilities reflected in the financial statements approximate their fair values.

34.5 Capital risk management

The Company's prime objective when managing capital is to safe guard the company's ability to continue as a going concern in order to provide returns for shareholders and benefits to other stakeholders and to maintain an optimal capital structure to reduce the cost of capital.

35 IMPACT OF COVID 19 ON FINANCIAL STATEMENTS

The sudden spread of COVID-19 has disrupted lives, livelihoods, communities, and businesses worldwide. In March 2020, the relevant authorities announced a temporary lockdown as a measure to reduce the spread of the COVID-19. Complying with the lockdown, the Company offices were also temporarily closed. At that difficult time, our focus was to safeguard the well-being of everyone. Further due to the measures taken by the Government to control the pandemic has also badly affected the economic activity and businesses have come to a halt not only in Pakistan but globally as well.

The revenue of the Company was not impacted by COVID-19 due to the closure of the company's plant operations. The management has assessed the accounting implications arising out of these developments on these financial statements, including but not limited to the following areas:

Notes To The Financial Statements

For The Year Ended June 30, 2021

- The impairment of tangible and intangible assets under IAS 36, "Impairment of non-financial assets"
- The net realizable value of Inventory under IAS 2, "Inventories"

Based on the assessment, there is no significant accounting implication arising out of the effects of COVID-19 in these financial statements.

36 CORRESPONDING FIGURES

The corresponding figures have been rearranged and reclassified for the purpose of comparison and better presentation, however there has been no significant reclassifications.

37 DATE OF AUTHORIZATION FOR ISSUE

These financial statements have been authorized for issue on September 23, 2021 in accordance with the resolution by the Board of Directors of the Company.

38 GENERAL

These financial statements are presented in Rupees and figures have been rounded off to the nearest thousand rupees.
