INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Dewan Automotive Engineering Limited

Report on review of Condensed Interim Financial Statements

Introduction

We have reviewed the accompanying condensed interim statement of financial position of Dewan Automotive Engineering Limited ('the Company') as at 31 December 2021 and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, and condensed interim statement of cash flows, and notes to the condensed interim financial statements for the six-month period then ended (here-in-after referred to as the "condensed interim financial statements"). Management is responsible for the preparation and presentation of these condensed interim financial statements in accordance with approved accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on these condensed interim financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of the condensed interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis for Adverse Opinion

- a) The condensed interim financial statements of the Company have been prepared on going concern basis despite of the fact that the Company incurred a net loss of Rs.25.883 million during the period ended 31 December 2021, and, as of that date it has accumulated losses of Rs.1,805.141 million which have resulted in net capital deficiency of Rs.1,346.690 million and its current liabilities exceeded its current assets by Rs.1,354.774 million and total assets by Rs.1,125.132 million. The operations of the Company are closed. The Company is placed on defaulters' counter of Pakistan Stock Exchange Limited and trading of its shares was suspended. Furthermore, the Company is in litigation with its lender. These conditions lead us to believe that the going concern assumption used in preparation of these condensed interim financial statements is inappropriate; consequently, the assets and liabilities should have been stated at their realizable and settlement amounts respectively.
- b) The Company has not made provision of markup for the period amounting to Rs.0.763 million (Up to 31 December 2021: Rs.19.737 million) (Refer to note 13.1) in these condensed interim financial statements. Had the provision of mark-up been made in the condensed interim financial statements, the loss after taxation would have been higher by Rs.0.763 million and mark-up payable would have been higher and shareholders' equity would have been lower by Rs.19.737 million.

FA&CO.

Adverse conclusion

Our review indicates that, because of the significance of the matters discussed in paragraph (a) and (b) above, this condensed interim financial statements is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

Other matters

The figures of the condensed interim statement of profit or loss and condensed interim statement of comprehensive income for the three months period ended 31 December 2021 and 31 December 2020 have not been reviewed, as we are required to review only the cumulative figures for the six months period ended 31 December 2021.

The engagement partner on the review engagement resulting in this independent auditors' review report is Fasih uz Zaman.

**NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS
FOR THE HALF YEAR ENDED DECEMBER 31, 2021 - (Un-audited)****1 THE COMPANY AND ITS OPERATIONS**

The Company's registered office is located at Dewan Centre, 3-A Lalazar, Beach Hotel Road, Karachi.

During the year 2017, the Company received notices from Pakistan Stock Exchange Limited (PSX) in respect of non-compliance of clause 5.11.1. (c) and 5.11.1.(e) of the PSX Regulations therefore it was placed on defaulter's counter of PSX and trading of its shares was suspended. 2 GOING CONCERN ASSUMPTION

The condensed interim financial statements for the half year ended 31 December 2021 reflect that the Company has sustained a net loss after taxation of Rs.25.883 million (June 2021: Rs.44.508 million) and, as of that date it has accumulated losses of Rs.1,805.141 million (June 2021: Rs.1,781.637 million) which have resulted in net capital deficiency of Rs.1,346.690 million (June 2021: Rs.1,320.807 million) and its current liabilities exceeded its current assets by Rs.1,354.774 million (June 2021: Rs.1,346.833 million) and total assets by Rs.1,125.132 million (June 2021: Rs.1,108.978 million) and operations of the Company are closed. The Company has been unable to ensure scheduled repayments of borrowings and to the creditors due to the liquidity problems. Following course, certain lenders has gone into litigation for repayment of liabilities through attachment and sale of the Company's hypothecated / mortgaged properties. These conditions indicate the existence of material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern. therefore the Company may not be able to realize its assets and discharge its liabilities in normal course of business.

The Company has restructured its entire debts, except one and has paid as per term of restructuring agreements. The management is also confident that the outcome of the pending litigation will be positive as the Company is negotiating re-profiling of the debt with the lender. Therefore, the management is confident that the proposal will be accepted by the lender and pending litigations will be withdrawn. Accordingly, these financial statements have been prepared on a going concern basis.
